

ORACLE**CERTIFICATION PROGRAM****Examination Score Report****Akashkumar Vyas****Oracle Testing ID: OC1945471****1Z0-808 Java SE 8 Programmer I****Exam Date:** 03/06/2020**Registration:** 370647242**Center ID:** 72650**Your
Score:** 69%**Passing
Score:** 65%**Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Apply access modifiers
- Apply the static keyword to methods and fields
- Compare and contrast the features and components of Java such as: platform independence, object orientation, encapsulation, etc.
- Create and manipulate Strings
- Create and use do/while loops
- Create and use for loops including the enhanced for loop
- Create if and if/else and ternary constructs
- Create methods with arguments and return values; including overloaded methods
- Declare and initialize variables (including casting of primitive data types)
- Declare, instantiate, initialize and use multi-dimensional arrays
- Determine when casting is necessary
- Develop code that uses wrapper classes such as Boolean, Double, and Integer
- Differentiate among checked exceptions, unchecked exceptions, and Errors
- Import other Java packages to make them accessible in your code
- Know how to read or write to object fields
- Test equality between Strings and other objects using == and equals ()
- Use Java operators; use parentheses to override operator precedence
- Use abstract classes and interfaces

- Write a simple Lambda expression that consumes a Lambda Predicate expression

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
 - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
 - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
 - Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
